

**VOLLEYBALL IS A GAME OF CHANGE  
AND MOMENTUM SHIFTS.  
LEARNERS WILL ADAPT AND BE SUCCESSFUL.  
WHILE THOSE ATHLETES WHO HAVE ALREADY  
LEARNED FIND THEMSELVES  
BEAUTIFULLY EQUIPPED  
TO PERFORM WITH A STYLE OF PLAY  
THAT NO LONGER IS FLEXIBLE TO MEET THE  
DEMANDS OF PLAYING A VARIETY  
OF TEAMS, EACH HAVING DIFFERENT  
CAPABILITIES, STRATEGIES AND TACTICS.**

Definition of a learner: a person who knows how to find the answers.

Defensively: Read the offense and your blockers and determine the most probable line of attack and then line-up in front of that line of attack.

Offensively: Read the defense and determine your most successful line of attack and then hit your ball "where they ain't!"

Game Performance Goals:

1. Serve them out-of-system!
2. Sideout Forever!!
- 3 Play for Points!!!
4. *Relentless Pursuit!!!!*
